Selectmen's Meeting

APRIL 30, 1985 - by VIRGINIA ARRAL

DECLARE MONTH OF MAY BICYCLE SAFETY MONTH

Selectmen last Tuesday issued a proclamation declaring the month of May as Bicycle Safety Month. Police Officer R. Stanley Ennis, Safety Officer, explained the various events that will be held on May 25 from 10 a.m. to 12 noon at Center School to observe the safety month.

SAFETY OFFICER R. STANLEY ENNIS AND SELECTMEN CHAIRMAN JOHN N. DeCOSTA.

Sponsored by the Mattapoisett Police Department, there will be a bicycle rodeo with prizes for both boys and girls. Before participating in the rodeo each bicycle must be inspected. Ennis noted that the Girl Scouts will be helping out with the rodeo, as will William McIlmail.

Officer Ennis said this is the second year for the rodeo event; before that the observance was done on a smaller scale with just inspection of bicycles. The inspection will be continued this year. Ennis explained that as Safety Officer he visits schools and talks to the youngsters and shows films on safety. He said he loves doing this with the young people and feels the effort has paid off extremely well for them. Selectmen commended the work Ennis has been doing with the children.

Selectmen Chairman John DeCosta read the proclamation:

"Bicycling as recreation, transportation and sport is enjoyed by 1 out of every 2 Massachusetts children; in 1984, Massachusetts bicycle fatalities involving a child between the ages of 5 and 19 dropped by 52.6 percent from the preceding year; state, school and community programs designed to improve bicyclists' awareness of the need for proper bicycle maintenance and observance of the 'rules of the road' helped lead to this significant reduction in fatal bicycle accidents. With May being declared Bicycle Safety Month and with special attention given to 'Safe Driving Practices' we urge all citizens, educators and community lead-

ers to take note of this event and to fittingly participate in its observance."

In a letter from Police Chief James Moran, he related the events of April 25 at 11:24 p.m. when the Mattapoisett Police, Fire and Rescue Units responded to an accident on Route 6.

The Chief wrote: "The units responded to an accident on Route 6, near the Fairhaven line, where a car traveling west on Route 6 left the road, climbed the curb and drove into a house, demolishing the front part and also severing a natural gas line, where the car came to rest. Inside the house was a lone 90-year old lady (Loretta Noel).

"I rsponded from my house and observed most of the actions of all who responded. Lt. James Santos also responded from his house. The first officers on the scene were Kenneth Pacheco, David Moniz and Kevin Paulson. Responding from his home across the street was Officer Joseph Faulkner. The smell of gas was very evident, and you could hear the pressure of it shooting out of the ground.

"Without delay, Officer Faulkner climbed over the car and through the broken part of the house, while Officer Moniz kicked in the rear door; both in an attempt to rescue the lady inside, which they did. Officer Pacheco and the rest of the personnel went to the houses in the area to wake people up so they could leave their houses and go to a safe place away from the gas leak. The Gas Company was called and responded quickly. The Fairhaven Police and Fire Departments were called to help secure their part of the highway. The people in the car and Miss Noel were taken to the hospital.

"All in all, what could have turned into a disaster did not, because of the well-trained people who responded from their separate departments. I also feel that because of the joint cooperation between the police, fire and rescue, and the mutual aid from Fairhaven departments, the whole incident was handled in a very professional manner, and all were a credit to their departments. I think special credit should be given to Officers Joseph Faulkner and

Selectmen agreed to send a letter to the Fairhaven Departments and to the Board of Selectmen commending the actions of their personnel.

In other business, Selectmen:

APPROVED a wine and malt retail package store license to Joseph A. Cerulli of 15 Eisenhower Street, North Dartmouth for Giana, Inc., d/b/a Cerulli Gourmet. The establishment will be located at 33 County Road (The Ropewalk). Tentative opening date is May 20th, said Mr. Cerulli.

Mr. Cerulli explained that his wife and son and daughter-in-law, Mr. and Mrs. Ralph Cerulli, are partners in the operation. The combination small cafe and retail store will feature gourmet foods, freshly baked bread, and hot entrees. The small cafe will seat about 18 and will serve coffee 'an at lunch time. He noted no alcoholic beverages will be served to drink on the premises.

Ralph Cerulli added that the shop will emphasize imported beers and gourmet gift baskets. The proposed hours will be 9:30 a.m. to 7:00 p.m. six days per week; Sunday morning a half day, from 8:00 a.m. to 12 noon.

Selectman DeCosta told the applicants the board is very emphatic that no liquor be sold to minors and that ID cards should be checked carefully. Selectmen James Huntoon and Frank Suzan and DeCosta extended a welcome to Mattapoisett.

Wayne Walega, developer of The Ropewalk, told Selectmen the Cerulli's have put together a wonderful business plan. "I expect they will be successful - these are

the right people to do it."

MET WITH RON MICHALSKI, representative from Tighe and Bond, sewer project engineers, to conclude the Pollution Control contract signed in 1977. William "Nick" Nicholson, water/sewer superintendent, and Ralph Wordell, water commissioner, attended and expressed their satisfaction with the project and the final payment. Also present was Town Accountant Betty Sears who, Michalski explained, should be aware of the final figures in the event there is an audit in the future.

Michalski said the state and federal government agencies have completed their review and the final monies coming to the town are $24,700 federal and $8,600 state. He recommended the board retain $5,000 in the account for two years as a backup for unforeseen expenses. He added that Mattapoisett will owe Fairhaven $3,000 to $4,000 when its project is completed, as the town's share of the pipeline and station.

APPROVED THE REQUEST of Mr. and Mrs. Purnell Guard and Mr. and Mrs. H. Clarke Hottel to place a van on a designated site on the wharf and to operate a seasonal take-out food stand.

Following discussion with the two couples, Selectmen agreed to allow a van to be placed on the east side of Holmes Wharf, adjacent to the square dance area. The permission is for one season (estimated May-September) with an option for renewal. Mr. Guard said the proposed hours are 12 to 9:00 p.m. (later if there is an activity on the wharf), seven days a week.

Guard explained they were still looking for a suitable van, something nice enough to meet their qualifications for a clean operation and nothing loud. "It's our wharf as well as everyone else's. If it's not clean we don't want any part of it," said Guard.

The group agreed to install a meter that will monitor the electricity usage, which

the group will pay. When not in use, the van will be kept on Guard's property where all cleaning up will be done. The petitioners also agreed to pay the town the price per foot of the van equivalent of renting a slip at the wharf.

Mrs. Guard commented that the square dance organizers were disappointed when the town Board of Appeals turned them down for a special permit to allow an ice cream stand at 12 Water Street (adjacent to Shipyard Park). She noted the dancers would like to have coffee and ice cream on Saturday nights as well as for those attending the summer band concerts on Wednesday nights.

RECEIVED WORD from the DEQE regarding financial assistance to communities involved with the SEMASS project. Bruce K. Maillet, acting director, noted that resource recovery projects, when properly designed, constructed and operated have useful lives of 25-40 years. It is imperative that the best available control technology in pollution control be incorporated into the facility. Although such controls will increase the cost of these facilities, the department believes that in the long run, it will be less expensive than the alternative of properly sited, designed and operated sanitary landfills.

APPOINTED Brian K. Darwicki and Mary R. Lyons as part-time police officers at the recommendation of Police Chief James Moran. Mary Lyons has completed the basic training course for police officers at the Fall River Academy and is an EMT.

NOTED William Hall has withdrawn his request to install an ice machine on the town wharf. Hall wrote that he was unaware there was another outlet for ice so close to the wharf (Romeo's).

ANNOUNCED that if the annual town meeting extends to Tuesday night the regular Selectmen's meeting will be eliminated May 7th.

of information for the making of a visual history of Mattapoisett.

A tentative agenda of subject matter is:

1. Starting at the waterfront: location of the former shipyards and activities on the waterfront of the past to the present - hurricanes, fishing, boating.
2. The River - with its part in the industry of the sea and other activities.
3. History of the churches.
4. Schools
5. Commerce
6. Boat building industry (yachts, working boats and supplies).
7. Summer Colonies.
8. Houses (architectural designs up through our modern architecture of today).
9. Genealogy - backgrounds of the first settlers and areas where they lived, up to the present.
10. The Portuguese settlers and history.
11. Cemeteries.
12. Town Government
13. Military (4 wars).
14. History of town departments.
15. Organizations.
16. Transportation.
17. Old tales and yarns.
18. Town celebrations (pictures and movies transposed to video tape).
19. Important Citizens.

To make these films informative we will need old pictures of these subjects to be transposed onto video tape to show the past.

Be looking for them in your collections!

Please become a part of this town project! It is important to record our history

two persons to a boat. There are divisions for men and women with junior and senior in each one. Junior division teams are both contestants under 14 years old.

Pre-registration is required. Contestants may register at the Rochester Memorial School Friday, May 10th, and May 17th, 6:30 to 8:00 p.m. No entries will be accepted after May 17th at 8:00 p.m.

Rules and entry forms may be obtained at Lloyd's Market, Rochester General Store, the Rochester Fire Station, and also at the two registration sessions. A signed entry form must be submitted by each contestant for a team to be eligible to draw a starting position.

The Boat Race Ham and Bean supper, traditionally served on the Saturday evening of the Memorial Day weekend, will be held a week earlier this year on Saturday, May 18th, at the Rochester Memorial School. Tickets for the supper may be purchased from boat race contestants or at the door. Proceeds from the supper, along with donations collected Memorial Day, provide the money for the prizes.

Trophies and prizes will be awarded Memorial Day at the Rochester Memorial School at 7:00 p.m.

River clearing work parties are scheduled every Saturday at 8:00 a.m. starting from the Rochester Fire Station. Contestants and other interested persons are urged to participate.

Heel bone under pressure.
Anti-pronation device reduces rollover.
Anatomical Cradle.
Flex bars double as heat and moisture vents.
Restraint without constraint.
Stabilizer bars ensure forefoot control.
Anatomical Design cradles foot firmly to help reduce sliding.

Ordinary athletic shoes are built on a form, or last, that is not contoured to the bottom of your foot. But Turntec's new Anatomical Last is built on a form that duplicates the shape of your foot. So foot movement and friction are controlled like never before.

When you step down, Turntec's Anatomical Cradle holds your foot right where the shoe's cushioning and your own natural padding will absorb the most impact.

This Anatomical Design keeps your foot from moving around in the shoe. So foot shock is held to a minimum. Which translates to a lot more comfort for the rest of your body.

SMU FACULTY SHOW

An exhibition of paintings, prints and sculpture will be on display at the Marion Art Center featuring faculty artists from Southeastern Massachusetts University. The exhibition opens on Friday, May 10th, with a wine and cheese reception for members of the Art Center and their guests to meet the featured artists who include: Richard Creighton, Peter London, George Mellor, Willoughby Elliot, Tony Miraglia, Margot Meugebaur, Kurt Wisneski, and Howard Windham.

Each one of these creative people is distinguished in his or her medium and all have exhibited throughout this area and in many other parts of the country. It is a special opportunity to view their works together in this group show. The exhibition will run through May 29th and the public is invited from 1:00 to 4:30 p.m. Tuesdays through Saturdays. There is no admission charge.

GARDEN GROUP LUNCHEON MEETING

Art in Bloom at the Fine Arts Museum is a hard act to follow, but we have something special for our gardeners on May 13th. The Garden Group of the Mattapoisett Woman's Club will be getting together on that Monday at 11 o'clock for a combined planning meeting and May wine luncheon at the home of Jackie McCarter, 21 Winnatuxett Road. We invite all those who have been a part of our group to join us in discussing recommendations for future programs and projects.

We will bring light sandwiches and salads and Jackie has planned a surprise dessert. Please call me at 758-9454 about your contribution. If you are not a member at this time, but think you would like to join us, we invite you to be with us on May 13th. Just contact me so that we may expect you.

vision. According to Mr. Cameron, advisor, "It was a dismal finish. It was a tough meet -- much more difficult than in previous years and the scores from all schools indicated this fact. There were many rounds in the meet where no points were scored. Even schools like Canton and Boston Latin were having difficulty with these questions. Not only were they difficult, but they took too long to 'grind out'. It was rather disappointing."

Top scorer was Brian Reid, a junior at ORR. Other team members included Sue Herman, Jeff Starecheski, Jeff Humphrey, David Tremblay, and Erik Morris.

The final math meet of the season will see ORR competing in the New England Math Meet to be held at Canton High School on Friday, May 10th.

SURVIVAL EQUIPMENT SALE/SWAP & FIELD TRIALS

The Old Rochester Regional Junior High School Survival Planning Committee is announcing a Survival Equipment Sale/Swap and Field Trials to be held on Saturday, May 11th, from 10:00 until 1:00. There will be backpacking demonstrations designed to introduce students and their families to pitching tents, and efficiently packing a backpack, in a fun and informative outing. A volleyball match, a tug-of-war, and other games have been planned. This will also be an excellent time to buy, swap or sell "survival-type" or camping equipment at reasonable rates. A picnic lunch will be available to all, so come early and stay! In case of inclement weather, this event will be postponed to Saturday, May 18th.

time.

The show consists of a montage of scenes from Charles M. Schultz's famed comic strip "Peanuts". Together these scenes form an imaginary day in the life of Charlie Brown, Snoopy, and the rest of the "Peanuts" characters. The day stretches from Valentine's Day to the height of the baseball season, from the gloom of being in school to the joy of being together, from an uncertain morning to a magical evening.

The show owes much of its success not only to the delightful musical numbers, but also to the universal appeal of its characters. Each character has a charm and personality all his own. There is the imaginative and happy Snoopy, the sweet and innocent Patty, the talented Schroeder, the insecure Linus, the crabby ol' Lucy, and last but not least, a "singular, remarkable, unique Charlie Brown".

Curtain time for each of the performances will be at 7:30 except for a special

The Old Rochester Regional Fashion Show featuring original fashions designed and modeled by the students will air on American Cablesystems' local channel, Bay 8, on Monday, May 13, at 7:15 p.m., and Thursday, May 16, at 6:00 p.m.

Ladies' Golf

Women's golf played at Little Harbor Golf course on May 1st resulted in Donna Jones having the individual low gross of 67 and the individual low net of 52 went to Jan O'Pezio.

The team of Mary Galligan, Helen Francis, Flo Hotte, and Dot Bush won the Four Ball Best Ball tournament.

Nearest to the pin on Hole #2 was Mary Savignano and Hole #5 was Jean Keir.

Thank You

I would like to thank everyone who prayed for me, sent cards, fruit, flowers, gifts and visited me while at Mass General Hospital recovering from my accident.

It helped me with a speedy recovery.

Camp Massasoit

REGISTRATION COUNSELOR IN TRAINING

The Greater New Bedford YMCA has an exciting summer program for teenagers aimed at developing leadership skills. The YMCA's Camp Massasoit Counselor-in-Training program is designed to give selected high school students the opportunity to learn and develop program and leadership skills while assisting in the summer day camp program. The program consists of training and actual working experience with a small group of campers under the supervision of a YMCA camp staff person.

The Counselor-in-Training program is based at the YMCA Camp Massasoit in Mattapoi-

sett. The program runs from 8:45 to 4:15 p.m. Monday through Friday for nine weeks beginning June 24th. Applicants must be at least entering ninth grade in the fall and be able to show the maturity and responsibility required for a job working with children.

"It's an excellent opportunity to gain some valuable experience working with children in a camp setting", explains Mark Gresen, YMCA Senior Program Director and administrator for Camp Massasoit. "Probably the three most important characteristics we look for in those applying are responsibility, a genuine interest to be a Counselor-in-Training and some ability to work with children." Interested high school students should contact the Greater New Bedford YMCA for an application booklet on the program.

Counselors-in-Training, or CIT's, are volunteers and serve on a "no fee/no pay" basis: that is, they pay no camp fees and receive no salary.

On behalf of the entire Stang community I would like to thank the thousands of people in the Greater New Bedford area who supported Manhattan '85.

Mnahattan '85 was a tremendous success. This is a credit to the enthusiasm and loyalty to Bishop Stang of our over 800 volunteers.

We believe that private Catholic education is an important and necessary option for society. Like all educational systems, we struggle to get by in difficult economic times.

LETTER TO THE EDITOR

Soon we celebrate Mother's Day, May 12th, when we like to remind the world of the great blessings of good mothers, and indeed most are truly that, striving to bring up families with sound moral and ethical ideals.

A quote from Mother Teresa, an inspiring "mother" who has only held children in her arms with love and affection deserves repeating - on silence:

"We need to find God, and He cannot be found in noise and restlessness. God is the friend of silence. See how nature - trees, flowers, grass - grow in silence; see the stars, the moon and sun, how they move in silence. Is not our mission to give God to the poor in the slums? Not a dead God, but a living, loving God. The more we receive in silent prayer, the more

"SAVE THE BUCKET"

The bucket, the ice cream freezer on Gulf Hill in South Dartmouth, which was an ice cream stand run by Gulf Hill Farm Dairy several years ago, has recently been donated to the Children's Museum, Inc. in Dartmouth.

With the support of the community, the Museum's special "Save the Bucket" fund will restore this landmark from the past. It will be located on the Museum's land for all to enjoy.

If you are interested in contributing to this exciting endeavor call the Museum at 993-3361.

MATTAPOISETT 3 VS ORR GIRLS' SOFTBALL TEAM

On May 11th the Mattapoisett 3 softball team will accept a challenge from the Old Rochester Girls' Varsity Softball team; a challenge it will be for the Mattapoisett 3 team.

Mattapoisett 3 currently is in the basement stage of the C.S.L. standings of which they have been a proud owner since they joined the league 4 years ago.

This will be the second year in a row that Mattapoisett 3 has accepted the invitation to challenge the ORR girls' team. Last year Mattapoisett 3 won 21-3 in a 9 inning base stealing, bunting game. This year will be different: 7 inning game, bunting only and what will make it a real challenge for the 3 is that the ORR girls have a 7 run lead.

Marion-Bermuda Race

The 1985 Marion Bermuda Race is once again taking shape. The start occurs on June 21 off Marion with a fleet in excess of 125 boats. The committee reports that there are currently fifteen boats qualifying for the 'family' trophy, and another thirteen that will be racing 'shorthanded' (crew of four). The race is sponsored by three yacht clubs: The Blue Water Sailing Club with twelve boats entered; the Royal Hamilton Amateur Dinghy Club with six boats, and the Beverly Yacht Club of Marion with ten boats in the race.

As in past Marion Bermuda races, there is a strong emphasis on cruising yachts with amateur crews and embargos against spinnakers and most electronic navigation devices. There are various social events planned for both captains and their crews in Marion and Bermuda.

In March over 400 people attended symposia in Boston and New York. The speakers were Robbie Doyle on sails, Bill Farnham on life rafts, Fred Sanders on weather, John Rousmaniere on boat preparation, and Joe Barr on medical aspects of the passage.

Silent Running in an Alden Ocean Shell

This is solitude. It's also one of the best total body workouts you can get—bar none. Rowing alone on the water gives you peace of mind. It also increases stamina, builds endurance and develops total fitness.

Rowing uses *all* the major muscle groups — legs, back, shoulders, arms, chest, thorax and abdomen—and it does it in a natural, rhythmic motion that is almost completely injury free.

Are you a runner? Competition sailor? Cross country skier? Why not *stay* in shape in an Alden Ocean Shell.

Birdcarvers' Exhibition

Join Massachusetts Audubon Society's South Shore Regional Center in celebrating its Third Annual Birdcarvers' Exhibition on Saturday, May 18th, and Sunday, May 19th. Excellent carvers from throughout New England will be displaying their fine carvings. The show includes both decoy and decorative birds, with many award-winning carvings on display. There will be over 150 carvings in all, capturing the feeling of a wide variety of birds, from waterfowl to songbirds. Professional and amateur carvers will be on hand to discuss their carving techniques. Join in a bird walk on Saturday, and browse through the nature and art books that will be on sale. Also featured are the Audubon prints on display throughout the Center.

Exhibition hours are: Saturday, May 18th, from 10 a.m. to 5 p.m.; and Sunday, May 19th, from 12 noon to 5 p.m. Admission is $1.00.

The South Shore Regional Center is located on Route 3A in Marshfield. For more information please contact Massachusetts Audubon at 837-9400.

The Great Grapefruit Diet™

ALL NATURAL APPETITE SUPPRESSANT AND FAT REDUCER

INTRODUCING . . . the latest development in nutritional weight loss technology . . .

. . . the 4-way, all natural weight loss sensation!

1 GRAPEFRUIT EXTRACT — Fruit enzymes promote fat reduction by stimulating cell metabolism.

2 THE GREAT GRAPEFRUIT DIET also contains GLUCOMANNAN, the amazing vegetable fiber, used in Japan for over 1500 years, which absorbs over 50 times its weight in fluids - giving a comfortable "full" feeling, while cleansing your system. Glucomannan, as a high-fiber substance, has the ability to restrict the absorption of fat and cholesterol in the intestines.

3 THE GREAT GRAPEFRUIT DIET contains kelp, lecithin, apple cider vinegar and vitamin B6 - the oldest and most widely used natural fat-reducing formula in the world - for burning and emulsifying fat and to flush it out of the system.

4 Uva Ursi is added to the GREAT GRAPEFRUIT DIET as a gentle, smooth-acting natural diuretic to prevent fluid retention, puffiness and bloating.

The Great Grapefruit Diet™ is carefully formulated with the best natural ingredients to REDUCE FAT AND SUPPRESS APPETITE . . . *Naturally!*

than one half of that loss is attributable to bad debts, or losses that result from unpaid patient accounts. As a result, the hospital is taking stringent measures to substantially reduce these losses and to ensure the future of our community hospital.

All attempts will be made by Tobey Hospital to collect delinquent accounts with the exception of cases where hardship is demonstrated and patients are unable to pay incurred medical expenses. The procedure for collection at Tobey has been revised so that when billing by the Hospital is unsuccessful, the patient's account is referred to a collection agency, with possible notification of the credit bureau. If the collection agency fails to obtain payment, the matter will be taken to court. Patients are advised to contact the Business Office to arrange for payments over time, if necessary.

As in the past, the Hospital will continue to bill insurance companies, although patients will be billed as well until the account is paid. Patients will be advised to check their insurance policies as many carriers require a deductible be met before coverage is available. To facilitate service and billing, patients are further advised to bring pertinent insurance cards and forms, current Medicare, Medex, and/or Medicaid cards when visiting the Outpatient Department or when being admitted to Tobey Hospital.

According to Administrator Charles S. Kinney, "Non-emergency services may ultimately be denied patients who have adequate resources to pay their account and are repeatedly delinquent." He added, "A limited amount of designated free care is available for indigent patients who live in our area and have no insurance coverage or resources to pay. Eligibility for free care will be determined prior to admission."

Tobey Hospital will continue to assist

FUND-RAISER FOR HEALTH CENTER IN NICARAGUA

The Greater New Bedford Jobs With Peace Campaign announced that the successful presentation of Stage Left Theater Company's "La Ultima Banana En Managua" on Friday, April 26th, has helped to raise over $500. toward their present project. This money is being donated to help in the building of a family health center in Esteli, Nicaragua. According to Dr. Robert French, coordinator of this effort, "Our fund-raising activites in New Bedford are part of a larger, national campaign to provide a health center and vitally needed health services to the residents of Esteli, a town in northern Nicaragua. We are proud to be adding our $500. to the $10,000 which has been raised throughout the country, to date, for this center."

From O.R.R.

PSAT DATE OCTOBER 19

Parents of students in the graduating classes of 1987 and 1988 should mark Saturday, October 19th, on their calendars. That is the date Old Rochester Regional students will take the Preliminary Scholastic Aptitude Test. The PSAT provides students with a preparatory view of the Scholastic Aptitude Test (SAT). PSAT's will be given only on October 19. Testing begins at 8:00 a.m. in the ORR cafeteria. The fee for the test will be $5.50.

It is important for college-bound juniors to take the PSAT. This is a junior's only opportunity to qualify for the National Merit Scholarships and many private corporations, such as the Acushnet Corporation Scholarship. In the fall parents should check with their employers to see if such private scholarships are available.

Don't forget Saturday, October 19.
